38TH ANNUAL AADMRT CONFERENCE

“*The Ever Changing
Face of Imaging*”

Welcomes all dental x-ray technicians,
dentists and radiographic technologists.

12 Speakers in 2 Days | 12 CE Credits

A CONFERENCE DESIGNED FOR THOSE WHO WANT TO INVEST IN THE FUTURE

This multi-day conference will host excellent speakers and topics relevant to today's Maxillofacial imaging centers, Dentists, and Radiographic Technologists, as well as all users of advanced dental imaging. This conference is being designed for those who want to be invested in their future, and as always the AADMRT meetings are a great opportunity to network with colleagues.

For those of you who have participated with us in the past, you know that our annual meeting and conference has become one of the premiere activities sponsored by our organization. Nowhere else can you include you and your staff to receive such a wonderful mix of the best speakers, dental x-ray lab specific exhibitors, and fellowship in dental radiography.

The 2016 conference will be held in beautiful Sacramento, California, at the Embassy Suites River Promenade next to Old Town Sacramento. "Old Town," as it's called locally, is a historic waterfront adjacent to the Sacramento River. Old Sacramento is quaint with its wood plank sidewalks and cobble stone streets, mimicking the 1850's gold rush era. This 28 acre park contains shops and restaurants as well as museums. The hotel is walking distance to Old town. Weather this time of year average highs are in the low 80's with the evenings dipping to the mid 50's.
